

SOLARIZE KINDERHOOK

Bringing the benefits of Community Solar to every home, business,
and organization in Kinderhook!

We are proud to have been selected by the Village of Kinderhook's Climate Smart Committee to provide you easy access to locally-produced, clean and renewable energy! Through Solarize Kinderhook, homeowners, renters, businesses, and even non-profits can all take advantage of the benefits provided by Community Solar. You will save money on your electricity costs, contribute towards New York's clean energy transition, and help to build a more sustainable future for your community.

\$0 enrollment fees &
\$0 cancellation fees

Keep your current
electricity provider

No need to install
any equipment

10% savings on your
electricity costs

Electricity is produced
for our subscribers at
a solar farm

The electricity is then
distributed by your
utility company

Subscribers receive a
10% discount on the
electricity generated

To celebrate our partnership with Kinderhook, we are giving everyone a \$100 sign-up bonus when enrolling, plus a donation will be made to the Kinderhook Sustainability Fund! Enroll today!
